I note that Ballard seems pretty swamped and hasn't been able to give us proper notice on the contracts we have with them at this time.

Do you have phone numbers for any of those?

The other contractors in our vendor pool are NRC, Ballard Marine construction, and the undersea Company.

There are also other contractors in the area. These are a bit unique so I'm not sure if the local tow company run by Capt. Jim minard can do it. Other marine construction type companies might be able to handle it.

Good afternoon Lindie and Melissa:

We received a bid from Global Diving and Salvage, Inc. regarding the removal of the tanks. Attached is that bid.

We would like, and customarily the Court prefers that we obtain 3 different bids, two other bids if possible? Could you recommend other companies we could ask for bids from that the Department of Natural Resources would approve?

Appreciate your input. Thanks.
